Keystone Civic Association’s Spring FUNDRAISER

Supports the: Keystone Community and Charitable Funds and 4H Foundation of Hillsborough County

A Little History: Since the Mobley family settled here in the mid 1800’s our community has transformed from pine forests to the citrus groves, ranches, farms, neighborhoods, social, civic, service clubs and churches that shape life in Keystone. Our Keystone Civic Association was formed in the 1930’s for civic improvement and promotion of our interests, welfare, and ideals. Today and Tomorrow: Keystone is safe and enjoyable for our families so we are definitely not in the city or even the suburbs. If you work in the city you come “home” to peace and quiet.

Keystone Community and Charitable Funds

The Keystone funds allow your KCA to recognize and promote various forms of Service for the Keystone Community. Anita and Will Unruh, our friends and neighbors for many years, believed so strongly in our community that they gifted the KCA in order to fund community projects. In addition to the Anita & Will Unruh Memorial Fund your KCA established a companion Community and Charitable fund to also lift hearts, families, and recognize good works.

One notable “good works” is Quantum Leap Farm. The “Farm’s” horses are the heart of the only therapeutic riding program in the state serving disabled civilian and military adults. It builds confidence by helping the riders build body strength as a more holistic approach to treatment knowing that the psycho/social aspect of healing is vital. This program is run with a few employees and dozens of volunteers. This unique rehabilitation program, has helped many Wounded Warriors recover from physical, mental, and emotional disabilities. So when the county reduced it’s funding, our KCA used it’s funds to make up the shortfall.

The KCA also partners for community projects. The Keystone Quilter’s Club, a friendship group and the Common Thread, an American Sewing Guild have been creating beautiful quilts for years. When the Quilters faced push back while attempting to deliver their beautiful quilts to our military in hospital, the KCA arranged a partnership with the Keystone Quilters, American Sewing Guild, and the American Legion Auxiliary to get their quilts and lap blankets to the wounded warriors and veterans in James Haley VA Hospital.

4H Foundation of Hillsborough County

Head, Heart, Hands, Health (4H)

4-H is the nation’s largest youth development and empowerment organization. 4H programs Create Positive Change through involvement in Agriculture, Business, Community, Family, Food & Health, Lawn & Garden, and Natural Resources

In Hillsborough County 4H clubs reach more than 40,000 youth in urban neighborhoods, suburban schoolyards and rural farming communities such as Keystone. Fueled by university-backed curriculum, 4-H’ers engage in hands-on learning activities in the areas of science, healthy living, and food security.

Every club meeting begins with “I pledge”: my Head to clearer thinking, my Heart to greater loyalty, My Hands to larger service, My Health to better living, for my club, my community, and my world.
