Selecting, Preparing, and Canning: Chile Salsa (Hot Tomato-Pepper Sauce)¹

Chile Salsa

5 lbs tomatoes
2 lbs chile peppers
1 lb onions
1 cup vinegar (5 percent)
3 tsp salt
1/2 tsp pepper

Yield: 6 to 8 pints

Procedure: Caution: Wear rubber gloves while handling chilies or wash hands thoroughly with soap and water before touching your face.

Peel and prepare chile peppers as described in making Mexican Tomato Sauce. Wash tomatoes and dip in boiling water for 30 to 60 seconds or until skins split. Dip in cold water, slip off skins, and remove cores. Coarsely chop tomatoes and combine chopped peppers, onions, and remaining ingredients in a large saucepan. Heat to boil, and simmer 10 minutes. Fill jars, leaving 1/2-inch headspace. Adjust lids and process according to the recommendations in Table 1.
